The applicant agrees, when electric energy becomes available, to purchase from the Cooperative all electric energy purchased for use on the premises specified in this Application for Membership, and to pay therefore at the rate that will be fixed and prescribed from time to time by the Board of Directors of the Cooperative.

3. Applicant agrees that upon acceptance of this Application by the Cooperative, he/she will upon being requested to do so by the Cooperative, or upon attempted requests via telephone, email or text message: grant safe, timely and reliable access to the member's property, and execute and deliver, without expense to the Cooperative, right-of-way easements - in the form prescribed by the Cooperative and approved by the Cooperative's attorney if such are required by the Cooperative to be in writing - on and under such lands owned or leased by the member or mortgaged to the member, and in accordance with such reasonable terms and conditions as the Cooperative shall require for the furnishing of electric service to the member or to other members, or for the construction, operation, maintenance or relocation of the Cooperative's electric facilities, or to serve any other purpose of the Cooperative.

Applicant understands and agrees that the Cooperative requires unlimited access to member property during any situation deemed to be an emergency by the Cooperative, and the Cooperative reserves the right to move or remove any obstructions necessary to gain access to its facilities, with the member being solely responsible for restoration costs. Applicant understands that he/she may furnish a combination lock to the Cooperative which will be used solely for entry onto member property to perform a necessary Cooperative Purpose in the event of emergency and/or the inability to contact the member.

4. The Applicant agrees that all lines supplying Applicant with electric energy, together with all switches, transformers, meters, appliances, and equipment constructed or installed by the Cooperative shall at all times be and remain the sole property of the Cooperative, and that the Cooperative shall have the right of access at any time to said lines and equipment, as well as to access on Applicant's premises to read meters, repair, maintain and service equipment, and upon discontinuance of service for any reason, to remove same.

5. Applicant and Cooperative agree: The Cooperative shall use reasonable diligence and effort to provide a constant and uninterrupted supply of electric energy at point of delivery, but does not guarantee continuous and uninterrupted service; the Cooperative will not be liable to members for any damage or loss to any member caused by any failure to supply electricity, or by any interruption or reversal of the supply of electricity, if such is due to any cause beyond the reasonable control of the Cooperative, act of God, public enemy, accident, strikes, inability to secure right-of-way or other permits needed, or for scheduled outages necessary for construction and/or maintenance of Cooperative facilities.

6.
